

Blok van de maand Juli 2009

(15 x 15 cm)

Dit blok is nu ook op onze website beschikbaar als EQ6 project.

See the Sun , see the Moon

This block of the month (August 2009) is a traditional pattern. Use the dots on the lines as matching points, when you pin the inward curve on top of the outward curve. For an easier pattern, just draw less lines.

In the next example-quilts you can see several ways to use colour. We wish you success with making your own design.

Wilma Karels and Heleen Pinkster

In our Quiltshop, this year you'll get with every purchase the blocks of the month from the theme 'In the Zoo'. As always, these blocks are 15 x 15 cm, so you can easily combine them with the blocks of the previous years. These blocks (2004- 2008) are published in (Dutch) books, which you can order at our website.
