Block of the month February 2014 (15 x15 cm) 'Double sided Log Cabin 2'

At our website, this block is also available as an EQ7 project.

The block of the month (February 2014) is a foundation pattern, but you can also sew it the traditional way. When making a double sided Log Cabin, take a 15 x 15 cm piece of fiberfill. Draw the block on teabag paper (TB).

How to sew:

- Put A1 right side of the fabric (RSF) on top of the fiberfill, the seam allowance must be across the middle line.
- Put A2 RSF down on top of A1, put the TB on top of the fabrics and pin in place.
- Turn your work upside down and pin A1' and A2' in the same corner in place, just like A1 and A2.
- Turn your work again and use the TB as a guide to sew the line between A1 and A2. In the same time you will sew A1' and A2'.
- Fold the TB at the sewing line and tear away carefully. Fold A2 and A2' open.
- Put A3 and A3' on top of A2 and A2', put the smallest triangle TB back on top of it and pin in place.
- Sew the line between A2 and A3, tear away the TB carefully and fold open A3 and A3'.
- Repeat this order when you sew the next pieces.
- When all pieces are sewn, pin B1 on top of A1' and pin B1' on top of A1', RSF down.
- Now you use the other triangle piece TB to guide your sewing lines.
- Sew the line between A1 and B1, tear away the TB carefully and fold open B1 and B1'.
- Pin B2 and B2' on top of B1 and B1' and follow the instruction above.
- Sew the blocks together as 'Quilt as you go'-blocks.

In our Quiltshop, this year you'll get with every purchase the blocks of the month from the theme 'Flowers'. As always, these blocks are 15 x 15 cm, so you can easily combine them with the blocks of the previous years. These blocks (2004-2010) are published in (Dutch) books, which you can order at our website.
